

# BEACH HOUSE COLLECTION

## TIMBER FURNITURE

The Beach House collection features classic brushed white acacia and a grey wash top. It offers a touch of class that will fit into almost any décor. Acacia does not scratch easily, and won't warp readily due to its water resistant properties. This brushed acacia suite features full extension metal runners on all drawers and 3 extra deep drawers on the tallboy. The bed frame also has a centre support rail under its slats.

- Brushed Acacia
- Full Extension Runners
- Centre Support Rail
- Bedside—550\*400\*600
- Tallboy—900\*420\*1150
